June 26 – 28, 2024
Wimsheim, Germany

Speakers

Dr. Frederic Hermann MSc, Thomas Schibler MDT

Meet the expert

Dr. Frederic Hermann
MSc.

Dr. Frederic Hermann MSc.

Dr. Frederic Hermann completed his undergraduate studies at the alma mater lipsiensis university at Leipzig/Germany in 2002, where he also received his Doctor of Medical Dentistry in 2005. Dr. Hermann was Partner in a Dental Clinic in Germany where he did an intensive training and continuing education in bone regenerative surgery, implantology and periodontics from 2003-2007. He is a Certified Expert in Implantology within the Swiss and German Association for Oral Implantology and the ICOI.

International lectures and publications on bone regenerative surgery, implantology and digital dentistry are his focus areas.

Dr. Hermann launched his own multidisciplinary Dental Clinic (www.team15.ch) in Zug/Switzerland in 2007. He received a master`s degree in "clinical dental CAD/CAM" after a 3 year master program at the university of Greifswald/Germany.

In 2016 he received the expert certificate in implantology (WBA) of the swiss society for implantology SGI. Dr. Hermann is involved as a lecturer in the continuing dental education program of the DGI.

Introduction

You have not yet gained any surgical experience with implants? Or have you previously only treated the superstructure of your patients yourself and would now like to perform simple implantations yourself? Then our „First steps in Implantology“ training course with Dr. Frederic Hermann is just right for you. You will acquire theoretical and practical skills and can then venture into implantology.

Description course

Category	International Courses, Hands-on
Speakers	Dr. Frederic Hermann, Thomas Schibler MDT
Date	June 26 – 28, 2024
City	Wimsheim/Germany (Camlog Factory site)
